#### Race start: 10 AM

**Benefits Operation Paws for Homes**  
 Net proceeds to be applied to medical costs of rescued dogs  
 A 501c3 organization dedicated to rescuing dogs from high kill shelters in the rural south  
 Founded in 2010, OPH has rescued over 6500 dogs  
 EIN 45-2785962

**Sponsorship Levels**

- \$500 – Parvovirus and/or distemper strikes vulnerable puppies in shelters. One puppy’s bill starts at \$500 and can go as high as \$2000 to save its life
- \$400 – Heartworm positive dogs have little chance of leaving a shelter alive without a rescue to save and treat them. OPH has treated hundreds of heartworm positive dogs since 2010.
- \$300 – Mama dogs with puppies are at high risk in a shelter. Healthy mamas require a minimum medical investment of \$300 to sustain them while they care for their little ones.
- \$200 – Shelter pull cost, standard vetting and spay/neuter – essentials to a healthy beginning
- \$100 – We save them – but need to transport them. Help us get one dog to its forever home.

### \$500 Parvo Pup

### \$400 Heartworm Positive

### \$300 Pregnant Mama

### \$200 Initial veterinary care
